MISSION STATEMENT OF WEST BAY CHRISTIAN ACADEMY PRESCHOOL

The mission statement of the West Bay Christian Academy is to provide an education to children that is distinctively Christian and academically excellent. The preschool program fully supports this mission in a developmentally appropriate manner, by striving to provide a distinctively Christian environment that is caring, nurturing, safe, and stimulating so that each child as an individual will grow emotionally, socially, cognitively, physically, and spiritually.

GOALS

In accordance with its character as a Christian educational corporation, the West Bay Christian School Association defines its mission in terms of the following goals:

1. To provide its students with a traditional and diverse educational experience that meets the highest standards of excellence;
2. To integrate its curriculum at all levels and in all subject areas with a Biblical perspective on truth and reality;
3. To provide opportunities for physical, social, and spiritual growth, as well as academic progress;
4. To develop personal and caring student-teacher and parent-teacher relationships;
5. To encourage parent involvement in the educational experiences of their children;
6. To maintain and apply standards of discipline that are consistent, fair, and respectful of the dignity of each student, and that aim to contribute to the student's spiritual and social growth;
7. To encourage students to come to and grow in a personal commitment to Jesus Christ as their Savior and Lord.

PHILOSOPHY AND PURPOSE

West Bay Christian Academy offers an education guided by the principles and values revealed in the Bible, God's written word, and consistent with the WBCA Statement of Faith. It is committed to the historical Christian perspective of life as set forth in the Bible, recognizing God as the Creator of all things, and Jesus Christ as the Son of God and the Savior of all who acknowledge Him as Lord. It holds that the knowledge of God is the beginning of wisdom, that fellowship with God is the basis of true community, and that each student is uniquely created by God as a physical, intellectual, social, and spiritual being, and is endowed with particular talents.
